Miss Hazel Parker

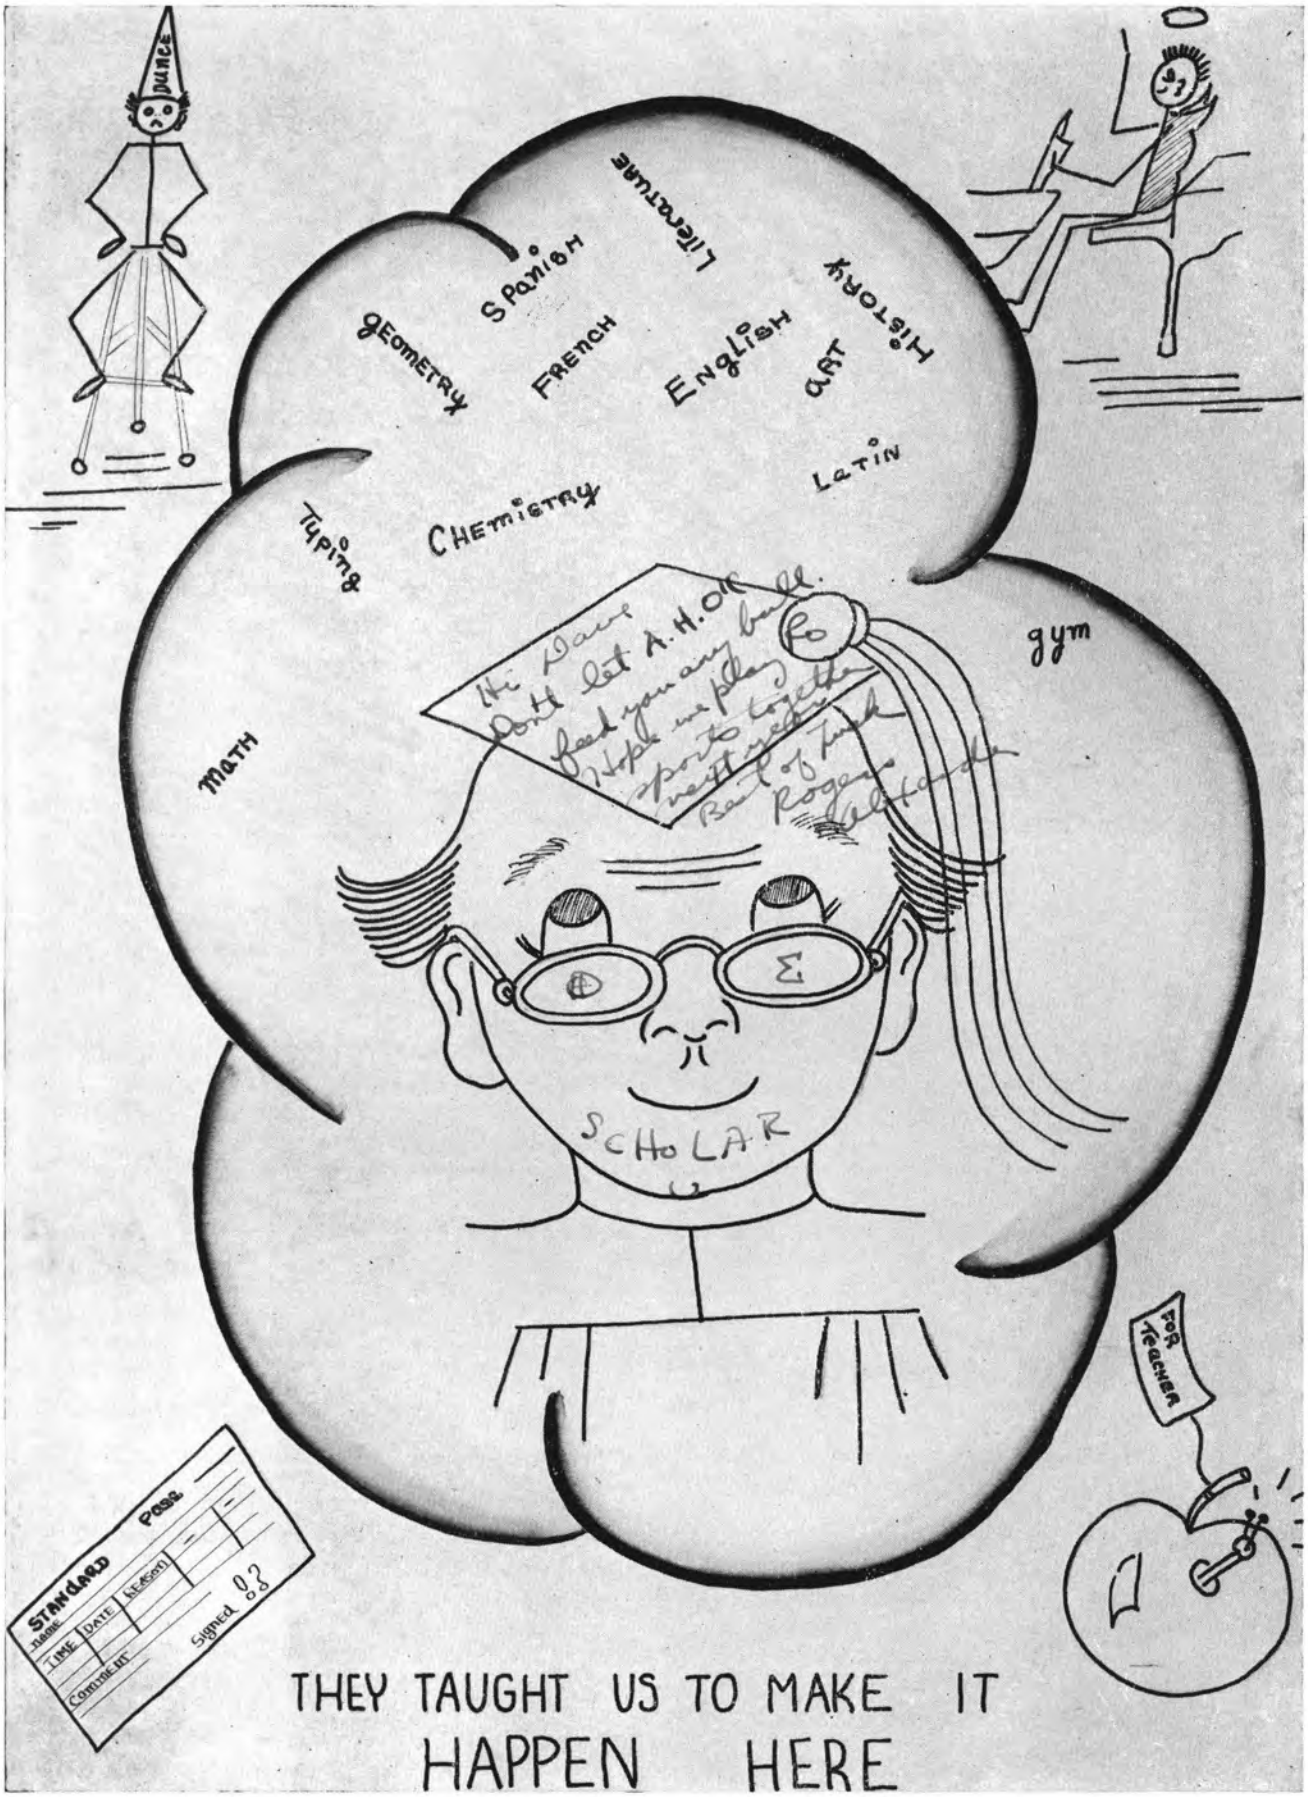
Mr. Harold Sliker

For the imagination, the originality, the long, tedious hours of work which they have devoted to the assembly programs which we have too often taken for granted; for their vital, winning qualities as teachers; and most of all, for their personal charm which makes us like them as real people, we, the Senior Class of Monroe High School, dedicate this book to

MISS HAZEL PARKER

and

MR. HAROLD SLIKER



THEY TAUGHT US TO MAKE IT HAPPEN HERE

MISS MARY A. SHEEHAN

Vice-Principal

Congratulations and every good wish to the Class of 1947. As you leave Monroe High School, take into a troubled world the spirit of equality and justice you have lived here. May you always seek to achieve the honorable!

MARY A. SHEEHAN

Dear Miss Sheehan,

We feel that if anyone can follow Mr. Hawley and take up the responsibility of guiding Monroe High School, strong in the confidence and respect of parents, teachers and pupils, you are that person. In the years you have been with us, we have found you unfailingly resourceful, helpful, and friendly, a progressive leader. We, being about to graduate, salute you and wish you all success at the helm of our Alma Mater!

Yours very cordially,

THE CLASS OF 1947

MR. W. E. HAWLEY

Principal

To the Members of Monroe High School Class of June, 1947:

GREETINGS!

In the same year that the first enemy bombs fell on Pearl Harbor you entered Monroe High School. You have thus been its pupils through one of the nation's most critical periods. This period has been an extremely difficult one for young people, also. You have had responsibility for avoiding extreme emotionalism to which young people have been subjected and for taking a leading part in maintaining school morale during these historic and trying times.

You have met your obligations magnificently and now at the time of your graduation it is my pleasure, on behalf of the students and faculty of the school, to congratulate you upon your graduation. Your past record predicts splendid success for the future and we all wish that for you.

You will be held to Monroe High School by a strong tie of filial loyalty for the remainder of your lives and Monroe will always be proud to acclaim you among its graduates.

My personal best wishes to each. May all good attend you. W. E. H.

Dear Mr. Hawley,

Ever since it was established in 1923, you have been at the head of Monroe High School. In a sense you have come to mean Monroe to us. Your friendliness, your tact, your integrity have been an important part of our school life. We shall never forget your understanding, your sane judgment, your gracious kindliness.

We want you to know, Mr. Hawley, that we are grateful to you. You have been not only a wonderful school leader, but a community leader in many projects. Our parents, our teachers—all have felt confident and secure under your wise leadership.

We are not saying "Good-bye." You are, in a way, graduating with us this June from Monroe High School, and we feel that you belong to us. Therefore we, the Seniors of M. H. S., wish to bestow upon you Honorary Membership in the Class of 1947. And now, so long and good luck!

Yours most sincerely,

THE CLASS OF 1947

CLASS HISTORY

It all began on September 8, 1942 – We started Monroe as eighth graders. After stumbling through the corridors and looking at room numbers, we finally got acquainted. It was war-time, so we did everything we could to help Uncle Sam. We sold war bonds, collected scrap metal, and helped the senior school organize the Victory Corps With much delib-eration, we elected Bruce Darcy our president, Joan Scott, Vice-president, and Marcia VandeCarr, Secretary. On October 6 we first saw 'Monroe Life' and got our first taste of Floorwalker wit. We discovered that "Everyman has his wife, but the ice-man has his pick." We were amazed after our first ten weeks to find what consternation certain little white cards could cause

We helped cheer the basketball team to its first City and Sectional championship and in June 1943 we were excused from school for the last time as eighth graders. "Boy," we thought, "will we go to town next year!"

We came back in 1943 to begin our ninth grade. That year Italy surrendered, but life in Monroe went on pretty much as usual. We elected for class president Marcia VandeCarr, Bruce Darcy, Vice-president, and Marcia Stone, secretary. The boys were delighted with the addition of twenty foot ropes to the gym, especially after they had climbed them a few times We did our share to put Monroe over the top in the drive to help buy "Chester from Rochester" and listened to such records as 'I'll get By' and 'Down the Road a-piece'. We bade Mr. Morgan good-bye and welcomed Miss Sheehan as Vice-principal Dick Schleyer was the first member of our class to win a varsity letter; J. Howell, Cook, and Coghill also won awards Monroe won the City basketball champion ship again only to lose to Aberell in the Sectionals. That year the Floorwalker told us about "the moron who cut off his arm at the elbow to see if there was any beer in the joint." In June we tied up our records and began our eagerly awaited summer vacation.

In 1944 while the Army was charging through France and Germany, we charged ahead with our studies. We elected for president David Howell, Gene Coghill vice-president, Lillian Hildreth secretary. We bought a mosquito boat and a tank with war bonds and kept on saving paper. We had a juke box and coke machine in the cafeteria and the joint was really jumpin' after school. The basketball team won the city championship for the third straight year. With the rest of the nation we mourned Roosevelt's untimely death and wished good luck to his successor. The Floorwalker told us "All men are like corks; some of them pop the question, but most of them have to be drawn out." Finally in June we left the tenth grade for good.

Then came our Junior year. Since the war ended just before school started, our war activities ceased. Bruce Davey was re-elected president. Our other officers were Carol Adam, Evie Cook, Lou Pines. We watched the departure of Mr. Milanette and Mr. Coe and welcomed Mr. Hang back from the Army. We watched the senior activities and could hardly wait for our turn. At last, on June 26, our junior days were over. Next year would be our year to run the school, and we knew just what we would do.

On the opening day in 1946, we missed our good friend, Mr. Gates. Bruce Davey was elected president of the students' association, Mike Davin, vice president, and Evelyn Cook, secretary. Our Class officers were Chick Kane, Lou Alexander, Elaine Krohn, Marilyn Wunder, Roger MacAlister. Once again the basketball team won the city championship, and as this goes to press, hopes are high for the sectionals. After the prom, banquet, class day and graduation, we will leave Monroe for the last time. While some will be glad to go, most of us will depart with a keen sense of loss.

When the going gets tough in the outside world, we will always remember Monroe as the brightest spot in our lives.

Last Will and Testament

In The Name of GOD AMEN

We, the Senior Class of Monroe High School, having in mind the frailty of all things human and being of sound mind and disposing memory and wishing to provide as far as possible for the continuance and preservation of the good things of life undiminished in a world of controversy and uncertainty do hereby make, publish, and declare this our class WILL AND TESTAMENT in the manner following, that is to say:

FIRST—We direct that all the faults and shortcomings of the Class of 1947 be forever interred in the depths of the earth without marker or other memorial to bring them ever to remembrance.

SECOND—We give, bequeath, and bestow upon the next senior class the hopes and expectations of our teachers which we never fulfilled, hoping that they will do better.

THIRD—We give, bequeath, and bestow upon all future Junior classes the right to admire and receive inspiration from the senior class ahead of them.

FOURTH—We give, bequeath, and bestow upon all future members of the Junior School of Monroe High School the right to be gay and carefree and to be an eternal nuisance to the Seniors.

FIFTH—We give, bequeath, and bestow upon the faculty the right to enjoy whatever pleasure there is in their work with deserved promotions, adequate salary increases, the four freedoms, and serenity in their declining years (when they shall arrive).

SIXTH—We hereby give, devise, bequeath, bestow, and confer to end upon each and every our successors as students in Monroe High School the right to share with us, and each of us, forever and in perpetuity, the spirit and practice of American Democracy which pervades this school and we charge you with the eternal preservation of the same.

LASTLY—We hereby appoint the Class of 1948, Monroe High School, executor of this our class WILL AND TESTAMENT: hereby revoking all former wills by us made.

IN WITNESS THEREOF, We have hereunto set the hand of our class president the 10th day of May, in the year one thousand nine hundred and forty-seven.

Robert Kane
Class President

Coach Beghold's basketball aggregation has again come out on top to win the city title. This chalks up 4 out of 5 for the Monroe hoopsters.

Despite the injuries suffered by two members of the team, early in the season, putting them out of the lineup for a number of contests, the Monroites at the end of the first half were in a three way tie for second place. In the second half, the Redjackets overpowered all league competition with a record of no losses. Then we defeated Madison, first half champion, once again placing the city crown in our possession and gaining a sectional berth.

In two non-league games with Brighton High, our neighbors from the twelve corners, the Monroe five brought another pair of victories, in real championship style.

Our team placed two members on the 1946-47 all-scholastic starting five, in addition to winning a good representation on the second team.

Eddie Besley

Although they didn't show up too well as far as score, the 1946-47 team had the real fighting spirit. The squad, largely made up of new boys, under the direction of coaches Blair and Sobie should be a real threat next year. They dropped their games with Jefferson 32-0, Charlotte 19-0, East 12-6, Franklin 18-0, Madison 38-0, Tech 42-0, and to Marshall 13-0.

They lost the next four games, bowing to Madison, Edison, Franklin, and Jefferson, 7-2, 6-0, 3-2, and 7-4, then came back to crush Marshall, 6-2. In their final interscholastic meeting they were edged by East High 4-3.

Because this edition of Monrolog goes to press in March, Monroe fans will miss the pictures of the teams and the records of the achievements in spring sports: baseball, track, tennis, and golf. The present staff ventures to suggest that our successors might well consider including this year's spring sports in the 1948 Monrolog.
